Create Multiple
Universes? God And The
Multiverse Humanity's

The aim of ' God and
the Multiverse ' is to
show how the current
picture of our vast
universe and the real
possibility of multiple
universes developed over
the millennia since
humans first looked at
the sky and asked what
was out there.

God exists, a multiverse is precisely what we should expect to find.

Moreover, these philosophers claim that the idea of a divinely created multiverse can help believers in God respond to certain arguments for atheism.
