Mastering Swimming The Masters Athlete Series

1. Train using the principle of specificity. In a nutshell, this scientific principle of training says that if you want to improve your 50m sprint freestyle, it won't happen doing big sets of 200m swims. Conversely, if you want to do a PB in the 800m, you won't get it doing 25m sprints with long recoveries.

Complete Book | (PDF) | Masters Athlete

Master athletes: how to maintain endurance fitness as the years tick by. A University of Florida study completed a number of years ago supported those traditional ideas about ageing. The Florida research, which followed regional and national champion track athletes over a 20 year period as they matured from 50 to 70 years of age, showed that maximal aerobic capacity (V02max) dipped by 10 per cent between the ages of 50 and 60 and then plummeted down by 12-15 per cent in the seventh decade of ...

Master athletes: how to maintain endurance fitness as the ...

Masters athletes are sometimes known as "veterans" and the European Masters Championships, for instance, is known as "Eurovets." This and other high level events including biennial World Championships cater largely to elite-level athletes, but many masters athletes are novices to athletics and enjoy the camaraderie offered by masters competition at the local, National and International level.

Masters athletics - Wikipedia

My swimming background. I have been a swimmer all of my life. I swum competitively since the age of 12, began swimming Masters in 1978. I have been coaching masters in 1998. Like most masters coaches I always emphasized strokes and seasonal conditioning periodizatuiion meven though like most masters teams only about 1/3 of the swimmers compete.
