Immaculate in every way this T160 was restored to better-than-new condition from a rather sad looking and neglected machine. Every plated nut, bolt, bracket, screw and washer was faithfully reproduced in Stainless Steel. The engine, gearbox and drive were all carefully rebuilt to the closest specified tolerances, with nothing left untouched. Hours of painstaking rubbing, polishing and careful painting then went into making this magnificent machine one of the best, if not THE BEST T160 on the ...

1975 Triumph T160 Trident Verdict These are great bikes for anyone who wants a classic ride which will go like stink, handle brilliantly, make fabbo noises and turn heads wherever it's parked. The barely contained 'whooooo...' as the revs build is a great roar and encourages you to go far too fast, which is a rare thing with bikes of this generation.
