The "Captive Violinist" Argument. Finally, we have the venerable "captive violinist" argument. This story attempts to make the point that, even if an unborn child is a living human person, he has no right to use another person's body without their consent. The story features a famous violinist who is about to die of kidney disease.

When Does Life Begin? The Abortion Debate

Captive insurance companies have been in existence for over 100 years. The term "captive insurance" was coined by Frederic Reiss, a property-protection engineer in Youngstown, OH, in 1955. Reiss established the first captive insurance company in Bermuda in 1962. Over the past 30 years, there has been significant growth in the captive market.
