'The Infernal Demons, also known as Infernals, are the supernatural inhabitants of Inferno that can be summoned by the Umbra Witches as part of their role of maintaining the darkness. These demons bestow witches with great power and wisdom and are mainly used to fight and hunt down the angels. However, this power comes at a high price.

### Infernal Demons | Bayonetta Wiki | Fandom

Demons are malevolent spiritual entities that are the direct opposites to angels. They are created from human souls that have endured extensive torture in Hell by Alastair and other demons. In this process, they become corrupted, extremely evil, and also very powerful. Similar to Angels, they require a vessel to walk the Earth, though they are able to roam in their smoke form. The species as a ...

I destroy all curses hiding in the air, on the earth, under the earth, in the waters above and beneath the earth, rivers, seas, dams, etc. I nullify and render all of you harmless in Jesus' Name. I rebuke and bind the demons assigned to the curses in Jesus' Name and I command you to become the footstool of the Lord Jesus Christ.

### A Very Powerful Prayer Against Demons & Satan ...

Nephalem are, the most simplest term, abominations. They possess both grace and miasma, born of both heaven and hell, and their nature is both angelic and demonic. Yet, they are neither of the two. Some nephalem chose their angelic parents, some chose their demonic ones, but the majority chose to be neutral. And that caused many to fear them. For that neutrality alone is much more dangerous ...
