Christian Faith and the Environment: Ecology and Justice

In the main, Christian faith offers its practitioners a profound vision of God's this-worldly identity with all beings. In the Bible, all things are bearers of divinity - the whole biosphere is filled with God's animating power - insofar as God signals God's love for creation by incarnating Godself in Jesus and giving the Holy Spirit to indwell everything that exists on the planet.

Ronald Engel, Ecology, Justice, and Christian Faith: A Critical Guide to the Literature (Westport, Conn.: Greenwood Press, 1995); and chapters on state-of- the-art scholarship in Theology for Earth Community: A Field Guide, ed. Dieter T. Hessel (Maryknoll, N.Y.: Orbis, 1996).

Christianity Introduction | Yale Forum on Religion and Ecology

Justice, Peace & Ecology. A passion for justice, a desire for peace and a concern for the integrity of God's creation are all essential to the living out of the Gospel. They are not optional extras, but core components of Christian faith, and Justice, Peace and the Integrity of Creation (JPIC) has been central to Columban mission since 1976.

Justice, Peace & Ecology - Columban Missionaries

Over the past three decades, numerous Christian thinkers have called for a new theology of nature and a new ethic for the earth. The discussion of environmental issues has expanded so much that a recent bibliographical study cited more than 500 entries on the topic of ecology, justice and Christian faith.
