United States Army, major branch of the United States armed forces charged with the preservation of peace and security and the defense of the country. The army furnishes most of the ground forces in the U.S. military organization. Learn more about the history of the U.S. Army in this article.

United States Army - Encyclopedia Britannica

United States, country in North America that is a federal republic of 50 states. Besides the 48 conterminous states that occupy the middle latitudes of the continent, the United States includes the state of Alaska, at the northwestern extreme of North America, and the island state of Hawaii, in the mid-Pacific Ocean.

United States | History, Map, Flag, & Population | Britannica

United States Colonial Rule in the PhilippinesThe United States exercised formal colonial rule over the Philippines, its largest overseas colony, between 1899 and 1946. American economic and strategic interests in Asia and the Pacific were increasing in the late 1890s in the wake of an industrial depression and in the face of global, interimperial competition.
