You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also

Hibbeler empowers students to succeed in the whole learning experience.

Hibbeler achieves this by calling on his everyday classroom experience and his knowledge of how students learn inside and outside of lectures.
