Far From the Tree (2017) - IMDb

Robin Benway's Far from the Tree recently won the National Book Award. It's a beautiful, thought-provoking tearjerker of a book, a meditation about family and its different forms, as well as the fears we don't share with those we love, and how what we don't say is often more of a roadblock than the things we do.

On any family tree, an affinal relationship is signified by the term “in law.” Consanguinity is translated directly as “of the same blood,” or in other words, a blood relation. Your parents, (great) grandparents, uncles, aunts, brothers, sisters, and cousins of various degrees are all a part of your consanguine family tree.

Family Tree Relationships Explained | GenealogyBank

A Family Tree: The Key to Your Family History. Many kids learn about family trees in school, drawing lines connecting parents and siblings to make a simple chart. As people grow up, they learn that families are more complex than that, with lines and generations extending far beyond a sheet of paper. But the structure of the tree can be similar.
