International Organisations and Peace Enforcement: The ...

International relations practitioners frequently invoke international organisations as bulwarks against abuse of the concept of peace enforcement. Despite their inherent problems and limitations, these multilateral organisations have a more credible claim to speak for the international community than any other international entity.

20 World Organizations That Strive To Establish World Peace

NATO's official military doctrine also seems to imply that UNSC authorization is not strictly necessary for peace enforcement undertaken by the organization's own 'peace support operations' (NATO Allied Joint Publication 3.4.1 'Peace Support Operations' [2001] paras 0217-0220). Likewise, some UN bodies, though endorsing the principle in the abstract, have argued that the UNSC's authorization may, exceptionally, be given retrospectively.

List of intergovernmental organizations - Wikipedia

United Nations peacekeeping operations are a vital instrument employed by the international community to advance peace and security.

Peace and Security | United Nations

The Gulf War is an example of UN enforcement of its resolution mandating the withdrawal of Iraqi troops from Kuwait. Peace enforcement is the use of military force to compel peace in a conflict, generally against the will of combatants. To do this, it generally requires more military force than peacekeeping operations.

Peace enforcement - Wikipedia

International organizations have increasingly taken on state or quasi state-like functions in order to exercise control over individuals and societies, most pressingly in contexts of conflict and transition. Their engagement in
