Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic.

Nintendo Power Player Guide

Nintendo Power produced a series of strategy magazines called Official Guides from Nintendo Power, beginning with The Official Nintendo Player's Guide. After Nintendo Power switched from a bi-monthly magazine to a monthly magazine in May 1990, some issues were positioned as strategy guides for single games replacing the guides, though only four such issues were produced before Nintendo ...

Nintendo Switch review | Tom's Guide

The Nintendo DS is a handheld game console produced by Nintendo, released globally across 2004 and 2005. The DS, an initialism for "Developers' System" or "Dual Screen", introduced distinctive new features to handheld games: two LCD screens working in tandem (the bottom one being a touchscreen), a built-in microphone and support for wireless connectivity.

Resident Move (Single Player Transfer)
Use this feature if you wish to transfer just one resident to a new Nintendo Switch system. The resident, the resident's home, and most items held by the resident and kept in storage will be transferred to an island on the new Nintendo Switch system. The island resident representative cannot be transferred.

This team of developers actually did an amazing job here and I am making a good guide to enhance that notion. For example, the game is very intricate. Bosses are excellent, but one thing I really noticed was the number of blocks in the game. There must be a breakable block or door for many if not all the power-ups in the game.
