Planet Earth My Infographic Sticker

To make a planet model with papier mache, blow up a balloon slightly until you have a round shape, tie off the end, and place the balloon in a bowl. Create your adhesive in a separate bowl, then tear your paper into strips, dip them in the adhesive, and cover the balloon's surface with them. Try to smooth out bubbles and bumps unless you want the planet to have a bumpy texture, then let the ...

The top 10 richest people on the planet have a combined net worth of \$1.4 trillion. For some context, that's roughly the same size as Australia's GDP. Who are these ultra-wealthy individuals, and what's the source of their wealth? Here's a look at the top 10 richest people on the planet, and how they've made their billions.

Ranked: The Top 10 Richest People on the Planet

Palm oil is the most widely consumed vegetable oil on the planet, found in many packaged products sold in the supermarket. While palm oil is the most efficient source of vegetable oil, its rapid expansion threatens some of the planet's most important and sensitive habitats.

Which Everyday Products Contain Palm Oil? | Pages | WWF

Look up facts about the composition and thickness of each layer. Include information about the density and temperatures present. Write up a small report or infographic to include with your 3D model to explain the different layers of the Earth. The crust is interesting because there are two types of crust: oceanic and continental.

My Dad was born in 1924 and was in WW2 and my mother was born in 1930. I can definitely tell there is a difference between me and my friends who had younger parents. My Dad was on his second marriage, his first wife had died and my mother stayed home longer with her parents before she met my Dad. Both my parents did not work while I was growing up.
